

2025 IEEE 7th International Conference on Sustainable Technologies for Industry 5.0

Certificate of Appreciation

This certificate is proudly presented to

Tarannum Binte Tariq

In recognition of your valuable contributions as an author of the paper titled "*Enhanced Twitter-Based Depression Severity Classification Using Multi-Head Attention with RoBERTa and DistilBERT Fusion*", presented at the **2025 IEEE 7th International Conference on Sustainable Technologies for Industry 5.0**, held at The Green University of Bangladesh. Your research and insights have significantly enriched the conference's academic excellence and fostered meaningful discussions.
